

The DONATEWORK website uses cookies to help us optimize our browsing experience for you.

WHAT ARE COOKIES?

Cookies are some pieces of information stored by your browser. This standard website feature allows you to store small amounts of data on your computer about your visit to the Site. Cookies are unique to the server that created them. This means that cookies cannot be used to track your online movements, they do not identify the person, they do not store passwords and credit card information.

WHAT DO WE USE COOKIES FOR?

Cookies are used to collect statistics on the frequency of use of our Website and to improve its overall performance. If you do not want us to use cookies, or if you change your mind after you agree to our use of cookies, you may refuse the use of cookies using the appropriate settings of your browser, but keep in mind that then you will not make full use of the functionality of this site. If you use your browser settings to block all cookies (including non-essential cookies), some of our site may stop working. By continuing to use this site, you agree that we use cookies.
